## SUBSTITUTE SCHOOL BUS DRIVERS NEEDED

Linn County R-I is in need of substitute bus drivers. If you are aware of anyone that would be of interest please have them contact Mr. Brinkley at 244-5045.

Substitute drivers are paid based upon the number of times that they drive a bus. While the frequency of driving can vary, it is a nice additional source of income that works well for farmers, stay at home mom's, and self-employed individuals who are free to drive on a flexible schedule.

Substitute bus drivers are typically the first in line when a new permanent bus driver is hired. So being a substitute driver can lead to a more permanent position if desired.

Drivers must be 21 years of age, and be able to receive a CDL license with the Class "S" endorsement, and pass a physical examination. The district will reimburse individuals for the time related to taking the driving test, will pay for the costs of the driving test, the criminal background check and the physical. In addition the district will provide assistance in studying for the driving test.

A school bus driver has a unique relationship with the students. It is an important responsible position that can not be left to just anyone. We need strong community members to help in this important educational role. For application or more information call 244-5045.

## NEWS FROM MR. LIVINGSTON

I'm sure everyone is excited to get back into their school routine. It seems like the summer has flown by. I hope everyone has had a good summer break. I'm sure you are anxious to get back to school, or at least I've talked with a few parents who are ready for school to start.

The custodians have been hard at work this summer and I would encourage you to come out to our open house on August 25. The building looks spectacular with a few changes. We also have a few new faces in the building this year. I look forward to seeing all of you at open house and also don't forget students August 26, back to school!

## NEWS FROM MRS. WARD

### OPEN HOUSE

It is almost that exciting time of year again—the beginning of school. The first day of school is Wednesday, August 26th. Open house will be held on Tuesday, August 25th from 6:00-8:00 p.m. Come and visit the school anytime during those hours. During that time everyone is invited to tour the building and to check out the classrooms. This is a great opportunity for parents and students to meet the teachers and to see the classrooms. The students are encouraged to bring their school supplies that evening so they can be ready for the first day of school. We hope to see you that evening! **WELCOME BACK!!!!**

### BOX-TOPS

Save those box-tops!! Mrs. Hostetter's fifth grade class won the

ice cream party last year for collecting the most box-tops. We would like to say a big thank you to those of you who are saving Box-tops for Education from the General Mills Products. Please continue to save box-tops for the entire year. The box-tops are not dated and may be held over from one year to the next. We do appreciate your help!!

### PAT, TITLE I, READING FIRST AND

### PRESCHOOL MEETING

The first meeting for these programs will be held September 10th at 6:30 p.m. This is an informative meeting to let you gain some information about each program. This meeting will help you understand what this program is for and what each program offers.

## NEW ADDITIONS AT LINN COUNTY R-I

Mrs. Valorie Bolle will be the new music teacher at Linn County this fall. Mrs. Bolle replaces Mr. Hampton who relocated to central Missouri. Mrs. Bolle recently graduated from Truman State University.

Mrs. Mary Hoyt will be the new business education teacher at Linn R-I this fall. Mrs. Hoyt will replace Mrs. Copple. Mrs. Hoyt has taught in the Liberty, Missouri school district the past three years.

### GRANDPARENTS DAY

Make plans now to attend!! Grandparents Day for grades K-5 is set for Friday, September 11th. We are hoping a lot of Grandparents will attend. This is a special time for the students and the Grandparents and we have had a lot of fun in the past. More specific information will be sent home closer to the time of the event. We hope to see you here.

## LINN COUNTY R-I EDUCATIONAL FOUNDATION

The Linn County R-I Educational Foundation was established in January 1994. It has a board of directors consisting of seven community members. The foundation was organized to provide scholarships for training beyond the high school level to graduates of the Linn County R-I School District.

The Foundation will receive funds in the form of either gifts from individuals or organizations, or donations through the estates of individuals. The foundation has received 501 (c)(3) status from the IRS, which allows individuals to take deductions on their income tax for the amount of their donation.

If you find yourself in a position where you can make a donation to a worthy cause, please keep the students of Linn County R-I, and the Educational Foundation in mind. Scholarships will be established in the name of the person making the donation, or who ever they desire. Each scholarship will be administered according to the desires of the individuals, all of which can be formalized in writing before the donation. For more information, please contact John Brinkley, superintendent Linn County R-I.

## FREE AND REDUCED LUNCH PROGRAM

One of the strongest programs of the federal government is the Free & Reduced Price Lunch Program. It has been in place for many years, and has benefited a large number of students by guaranteeing them a good meal at breakfast and lunch. It has provided parents peace of mind, since they know their child is being provided a good meal at breakfast and lunch.

One of the little known aspects of the Free & Reduced Price Lunch Program is how it helps farmers by helping to keep farm prices high. The Program started originally as a program to help farmers, and it has been very effective. It is still directed by the department of agriculture, and highly supported by agriculture organizations.

With recent changes in the way money is distributed to the schools the program is especially valuable to Linn R-I. Several large sums of money distributed by the state and federal government are directly tied to the number of students in the school that qualify for free or reduced lunches. With the new method of determining distribution of state money, the more students that sign up for the lunch program the more money the school district receives. Currently, besides the reimbursement we get for the meals that are served under the Free & Reduced Price Lunch Program, Linn R-I gets almost \$700.00 per student that qualifies for Free/Reduced lunches. That money can be spent to pay for educating the students, and directly replaces money that would otherwise have to be collected in the form of taxes. So if you qualify for this program we urge you to sign up. It helps your child and it helps the district.

Qualification is based upon family income. If you are now receiving food stamps or Temporary Assistance for your child, your child may receive free meals. If your total household income is the same or less than the amounts listed on the Income Chart below, your child may receive free or reduced price meals. A foster child may receive free or reduced price meals regardless of your income. Currently the Maximum income per family is:

Household	<u>Size</u>	<u>Annual</u>	<u>Monthly</u>	<u>Weekly</u>
	1	20,036	1,670	386
	2	26,955	2,247	519
	3	33,874	2,823	652
	4	40,793	3,400	785
	5	47,712	3,976	918
	6	54,631	4,553	1,051
	7	61,550	5,130	1,184
	8	68,469	5,706	1,317
Each additional member		+6,919	+577	+134

Signing up for the program is relatively simple. A Form will be sent home with every child the first day of school. The form asks for only names, social security numbers, and total household income.

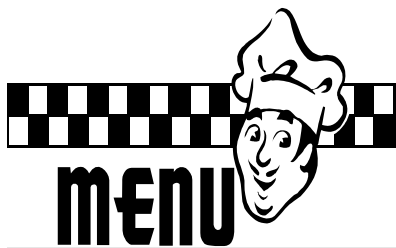

If you qualify for the Free and Reduced Price Lunch Program, please sign up. It helps you, it helps the school, but most of all it helps the kids.
