“The difference between school and life? In school, you are taught a lesson and then given a test. In life, you are given a test that teaches you a lesson.”
On Sunday, May 15, fifteen seniors marched into the gymnasium marking their

final days at Linn County. Unlike the dreary weather, the students were filled with excitement and joy. Mr. Livingston gave the welcome address and Valedictorian Shelby Russell and Salutatorian Canaan Rehbein were introduced. This year’s commencement speaker was Ms. Candi Ward, the students’ former fourth grade teacher, elementary principal, and senior year high school principal. Alex Snyder and Haylee Wallace gave memories of their class in the class history. To finish the day, each senior walked across the stage to receive their diploma.

Goodbye, Mr. Hostetter.....and Thank You!

Mike Hostetter worked with Mrs. Livingston and her 4th graders to complete his student teaching this spring. He began his 14-week visit by observing in the classroom and helping Mrs. Livingston as needed. Gradually, he took over teaching one subject a week until he was teaching all day--every day. We all learned together as we worked together.

One of the students' most favorite activities was learning about animals. Mr. Hostetter brought in some of the items he uses for trapping and some of the furs of several different animals. (We apologized for the skunk scent that slowly drifted throughout the school!) He also invited Mr. Morelock to speak to the class about his honeybees. During our study on the human body, Sarita Coffman, our school nurse, was invited to speak to the class about digestion and the circulatory system.

Probably the most memorable part of all the math lessons was the unit on fractions. A lot of time was spent identifying, simplifying, comparing, and adding/subtracting fractions and mixed numbers. It was definitely a learning experience for everyone involved!

Students also worked with partners to complete a diorama on a famous Missourian in social studies. Mr. Hostetter encouraged students to use their imaginations to create these instead of just using paper and glue. The final products were displayed in the hallway after students were involved in the scoring process of each others' projects.

Mrs. Livingston and the 4th graders want to thank Mr. Hostetter for all he did to help us with our learning. We wish him great success as he begins his teaching career next year at Milan where he'll be teaching 5th & 6th grade science.

Linn County Aggie Booster Scholarship was presented to Shelby Russell and Jeremy Frazier by Aggie Booster President, David Frazier. The next Aggie Booster meeting is June 15, at the Linn County R-1 ag classroom at 7pm.

2011 FFA Awards Banquet

The Linn County FFA Chapter held their Annual Awards Banquet on May 6, 2011, starting at 6pm. President Jeremy Frazier called the banquet hall to order and lead opening ceremonies by the chapter officers. After a short welcome, Honorary Chaplain, Cheyenne McQueen gave the invocation.

The members and guests of the banquet were served a meal of pork loin, brisket, cheesy potatoes, rolls, and many different carry in dishes and desserts. The labor auction promptly followed with Auctioneer, Terry Blaue. Fourteen of Linn County FFA members were auctioned off to their parents and community members and businesses. These students will work for their buyers for four to six hours at a later date.

The chapter bestowed the Discovery Degree, Greenhand Degree, and Chapter Degree to several deserving members. The Discovery Degree is bestowed upon active 8th grade members, who are Makayla Bontrager, Logan Brinkley, Holly Burkholder, Blake Burkholder, Tristen Creason, Alec Finney, Kylie Flummer, Aletha Grismore, Cole Groom, Makayla Hudson, Anthony McCollum, Micky Snyder, Aaron Spainhour, Patricia Stanphill, Kimberly Taylor, and Dakota Waits.

The Greenhand Degree is bestowed upon first year members who have worked hard during the year to meet all the requirements and those members are Debra Cox, Skyler Creason, Elicya Florez, Cheyenne Foster, Dylan Harvey, Mindy Hayes, Hannah Hoskins, Taylor Page, Shelby Parsons, Lauren Russell, Tiffany Scott, Justin Waltz, Derek Wilson, and Jacob Wood.

The Chapter Degree is bestowed upon students who have received their Greenhand Degree and met the requirements of the degree and those members are Bryar Bookout, Brittni Buswell, Justin Ferdig, Brett Fitzgerald, Marc Jungles, Ty Stillwell, Cammie Ward, and Lucas Woodside

Members receiving higher degrees were also recognized during the banquet. Members who received their State FFA Degree were Jeremy Frazier, Colton Hardy, Canaan Rehbein, and Alex Snyder. This is the highest degree the Missouri State FFA Association can bestow upon deserving members. One graduated member of the Linn County FFA Chapter, Jordan Russell, was recognized for receiving her American FFA Degree. This is the highest degree a FFA member can earn and only a small percentage of all FFA members will ever receive this very high honor.

The members of the Linn County FFA Chapter honored two outstanding supporters this evening as well. Ryan Livingston and the Rinehart Family (Lenita and Kevin Rinehart) were inducted as honorary members with the Honorary FFA Degree. These people have shown outstanding support over many years and are a great asset to the chapter.

Two seniors were awarded the Aggie Booster Scholarship of \$200 during the banquet as well. Aggie Booster President, David Frazier announced the following names, Jeremy Frazier and Shelby Russell. Members were recognized for their outstanding work and success throughout the year. The following are the proficiency award recipients: Brittni Buswell, Beef Production Entrepreneurship; Jeremy Frazier, Beef Production Placement and Diversified Agriculture Placement; Colton Hardy, 1st place in Area III Dairy Production Entrepreneurship and 2nd place in Area III Dairy Production Placement; Canaan Rehbein, Crop Production Placement; Shelby Russell, Food Science Placement; and Kaitlin Liebhart, Swine Production Entrepreneurship.

Members competing in FFA and Ag contests throughout the year are: Creed Speaker, Hannah Hoskins; Chapter Scrapbook, Brittini Buswell and Arieal Rinehart; FFA Knowledge Team, Mindy Hayes, Hannah Hoskins, Lauren Russell. Dairy Foods: Jeremy Frazier, Colton Hardy, Cheyenne McQueen. Farm Management: Kaitlin Liebhart, Arieal Rinehart, Alex Snyder, and Hayley Wood. Forestry: Bryar Bookout, Ty Stillwell, Derek Wilson, Lucas Woodside. Grasslands: Skyler Gray, Kaitlin Liebhart, Arieal Rinehart, Hayley Wood. Livestock: Brittini Buswell. Poultry: Elicya Florez, Mindy Hayes, Hannah Hoskins, Lauren Russell.

The trap team was also recognized for their outstanding work for the year. The members of the team were Jeremy Frazier, Colton Hardy, Erich Belzer, Bryar Bookout, Marc Jungles, Skyler Creason, Jacob Wood, and Dylan Harvey. The five members who attended the State Trap Shoot are Jeremy Frazier, Colton Hardy, Bryar Bookout, Skyler Creason, and Jacob Wood. Jeremy Frazier had the 50/50 patch bestowed upon him.

Next in the program, the chapter accomplishments and year long accomplishments of many members were awarded. The Linn County R-1 FFA Chapter attended the Missouri FFA Convention in Columbia three weeks ago. The Linn County R-1 Chapter was recognized on the state level for being a 100% chapter, 10%+ chapter, and a Superior Chapter. A Superior Chapter award rewards the chapter for having successful SAE programs throughout the chapter members.

Members who have the highest GPA in each grade level in high school are awarded the scholarship pin and those are: Lauren Russell, Brittini Buswell, Skyler Gray, and Shelby Russell. Members of each class compete for the leadership pin throughout the year and have the highest leadership points in the chapter and they are: Hannah Hoskins, Brittini Buswell, Arieal Rinehart, and Jeremy Frazier. Members who excelled during the Fruit Sales for the chapter are the following: Top Junior High Male – Blake Burkholder, Top Junior High Female – Sydney Moore, Top High School for each class: Shelby Parsons, Brittini Buswell, Arieal Rinehart, and Alex Snyder.

The Stars of the night were the Star Greenhand, Star Farmer, Star in Ag Placement, Star in Agribusiness and the Outstanding Senior DeKalb Award. The Star Greenhand is a first year member who excels in leadership, FFA participation, SAE plans and grades and the 2011 Star Greenhand is Hannah Hoskins. The Star Chapter Farmer is Colton Hardy. The Chapter Star in Ag Placement is Jeremy Frazier. The Chapter Star in Agribusiness is Alex Snyder. The Outstanding Senior DeKalb Award winner for 2011 is Jeremy Frazier.

Once the Stars were all recognized, the chapter officers played a Year in Review slideshow. It showed all the events and fun times throughout the year. In the end, the seniors and Ms. Blaue exchanged gifts and kind words. Then came the part of the night everyone had been waiting for, the installation of the new 2011-2012 chapter officers. The new officers are as follows: President Arieal Rinehart, Vice President Kaitlin Liebhart, Secretary Hannah Hoskins, Treasurer Cammie Ward, Reporter Lauren Russell, Sentinel Brittini Buswell, and Historians Mindy Hayes and Skyler Creason.

As the senior officers retired, they gave an amazing retiring address recapping their fun filled years of hard work, leadership and the memories made. They retired their jackets and took a rose to and joined their families in the audience to watch the bright, excited, new officers close the meeting with the Pledge of Allegiance.

The chapter had a long, but very successful Annual Awards Banquet and thanks all those parents, community members, community businesses, administration, and siblings who made it possible!

News From the Nurse

Student Vaccination Requirements

I would like to remind you of the vaccination requirements so that you will have time to get the needed vaccinations for your child prior to the 2011-2012 school year. The school needs a copy of the any new immunization records prior to first day of school.

Immunization Requirements for 2011-2012 School Year.

The Missouri Department of Health and Senior Services recently revised the Code of State Regulations, Immunization Requirements for School Children. These rules establish the minimum requirements for children enrolled in Missouri public, private, and parochial schools, day cares, preschools, or nursery schools. These revisions include: **STUDENTS ENTERING KINDERGARTEN**

Second dose of varicella (chickenpox) vaccine for all children entering kindergarten.

If the kindergarten child has had varicella (chickenpox) disease, a licensed doctor of medicine or doctor of osteopathy (DO) may sign and place on file with the school a written statement documenting the month and year of the previous varicella disease as satisfactory evidence of having had the disease. Parental or guardian statements of disease will no longer be accepted beginning with the 2010-2011 school year for children entering kindergarten.

This rule change applies to children entering kindergarten and thereafter. For children enrolled in grades one through five, only one dose of varicella (chickenpox) vaccine is required. Parental or guardian statements of disease continue to be acceptable.

ATTENTION ALL INCOMING 8TH GRADERS

Tdap (tetanus, diphtheria, and pertussis (whooping cough)) vaccine will be required for all incoming eighth (8th) grade students if the child has completed the recommended childhood DtaP/DTP vaccination series and has not received a Td Booster within the past two years. All 8th grade students need this vaccination prior to the first day of school. Please bring the student's immunization record or proof of Tdap prior to or during enrollment. Linn Co. Health Dept. will fax them to the school at the parent's request.

For children enrolled in grades 9-12 who have not received a single dose of Td, it is highly recommended they receive a single dose of Tdap as their catch-up booster instead of Td or receive one dose of Tdap two years after the last Td dose. (This will help prevent an outbreak of whooping cough in the high school students.)

To: All Parents/ Guardians of Incoming 2011-2012 Preschoolers

The Missouri Department of Health and Senior Services revised the Day Care Immunization Rule, 19 CSRT 20-28.040. This rule establishes the minimum immunization requirements for children enrolled in Missouri public, private, and parochial day cares, preschools, or nursery schools.

Effective July 1, 2010 the following new requirements were implemented for preschool enrollees:

- Age appropriate pneumococcal conjugate vaccine (PVC) for children attending day care, preschool, or nursery schools caring for ten or more children. Age appropriate refers to the right or suitable age for which a particular vaccine is recommended.
- For all children who have had varicella (chickenpox) disease, a licensed doctor of medicine (MD) or doctor of osteopathy (DO) may sign and place on file with the child care facility a written statement documenting the month and year of previous varicella (chickenpox) disease as satisfactory evidence of having had the disease. Parental or guardian statements of disease will no longer be acceptable beginning July 1, 2010.
- All incoming Preschool students must also have documentation that they have had lead testing.

It is State regulations that all children must be up to date on all immunizations and have a lead test prior to attending preschool. If you are not sure whether your child is up to date or needs immunizations to meet the regulations to attend preschool, please contact your physician or your county health department. Please call me at 660-244-5035 if you have any questions.

Sarita Coffman R.N.
Linn Co. School Nurse

Dear Parent or Guardian:

REMINDER: Missouri Legislation requires all children age 6 months to 6 years attending a licensed daycare or preschool program provide documentation of a recent lead screening. This test must have been done within the last year. If a parent/ guardian refuses to have the child tested, they must provide a written statement explaining why they do not want the child tested.

According to state preschool requirements your child must have documentation of the screening on file by the first day of preschool. Students will not be allowed to attend until documentation is provided to the school district.

Also your child must have current documentation that he or she has had all age appropriate immunizations prior to school starting. Students will not be allowed to attend until documentation is provided to the school district.

Your child may receive a lead screening at your local health department free of charge.

I would recommend that you schedule an appointment for your child as soon as possible if your child is not current on immunizations or needs a lead screening. Appointments at the health department fill up quickly close to the start of the new school year.

If you have any questions please feel free to contact me at the school.

Elementary Spring Concert

The spring concert was held on Tuesday, May 12th. The students and Mrs. Bolle put on a nice performance. We had a nice turnout at the concert. Thank you for your continued support of the students.

Last Day Celebration

I want to extend a thank you to everyone that helps make the last day celebration possible. We appreciate the generous donation of food and time. Without your donations and help this celebration would not be possible. We feel this celebration is a positive way to end the year and begin the summer. THANK YOU SO MUCH!!!!

Summer School ----Around the World in 14 days

Sign up now. Summer school will focus on reading and math. Summer school will begin on Tuesday, May 31st and end on Friday, June 17th. The students will attend school from 8:00 a.m. to 12:00 p.m. each day with the exception of Friday, June 17th. On the last day we will go until 4:00 pm because we are making up hours for only going 14 days instead of 15 days. WE DO NOT HAVE TO STAY LONGER ON ANY OTHER DAYS---- JUNE 17TH ONLY.

The last week of summer school will be used to wrap up any loose ends and get the students ready to begin their time at home. On Friday, June 17th we will travel to Chillicothe to bowl, play in the park, eat lunch, and then swim at the Chillicothe Aquatic Center. This will also be a longer day. We will return around 4:00 p.m. on this day.

This year the fifth grade will be participating in the transition program which will help prepare them for Junior High and their last day will be celebrated at a water park. It is highly recommended that all 5th graders attend the summer transition program.

COME ONE, COME ALL. JOIN THE FUN AND SIGN UP NOW FOR SUMMER SCHOOL.

SCHOOL SUPPLY DRIVE

The Linn County R-1 School District is hosting the fourth annual school supply drive this summer. The school supply drive will allow for all families (elementary, junior high and high school) in the Linn County R-1 District to come to the school on Monday, July 18th from 5:30-7:30 p.m. to pick up items on the school supply list free of charge. Parents bring your students and the supply list out on that evening to pick up a majority of the needed school supplies for the upcoming school year. If you have any questions, please call Candi Ward at 244-5035.

MIM Notes - 4/25/11

The MIM Leadership Committee met for a half day on April 25, 2011 at the Purdin Community Center. The committee worked on the action plan and budget for the 2011-2012 school year.

Meg Sneed offered ideas on what other schools had used for their action plan. The committee went through each smart goal and adjusted the goal accordingly for next year. Some of the ideas for next year are to have training to fully utilize Study Island and A+ Learn Anywhere, data teams in the middle school, pre/post assessments and common core assessments.

There was discussion on teachers using a pacing calendar for training and to use the same programs for practice and assessments. Some professional development training sessions were discussed with Darl Davis and Sheila Thurman. The PLC Committee has worked on release dates for the next school year.

Discussion was held on the budget for next year and Meg and Candi will finish the budget at a later date.

Next meeting will be held in August with the actual date to be determined later. Lisa Hostetter will be the facilitator.

Aggie Booster News

We encourage all parents and Linn County FFA Alumni to join our Aggie Boosters, who pride themselves in helping make FFA member's lives better. Your commitment will help ensure the success of the Linn County FFA chapter. Aggie Boosters raise funds for student recruiting, scholarship awards, aiding in the funding of camps, conferences, National FFA Convention and other personal development programs.

Our next scheduled Aggie Booster meeting is June 15, in the agriculture education classroom, at 7PM, which is the same time as the FFA Chapter's meeting. We hope to see all current members, many of the new families, community members who want to be involved and Linn County FFA Alumni at this meeting.

Library

Library Fines Reminder:
Parents will be billed for the replacement cost for overdue books that are not turned in by the end of the year. We encourage students to take care of their own overdue library books and fines. If a book is paid for, then found, the money will be returned.

Summer Library

It is time once again to think about summer library. This year's summer library theme is "One World, Many Stories."

The sessions will be held every Wednesday in July from 9:00 – 11:30. The dates are 6th, 13th, 20th, 27th. We will read stories, have crafts and a snack. The library bus will be stopping at each community center. The schedule is as follows:

Pickup:

Browning – 8:30, Purdin – 8:40, Linneus – 8:50

Return:

Linneus – 11:40, Purdin – 11:50, Browning 12:00

Questions or concerns please contact Janie Wood 244-5035.

See ya in July!!!!

Facebook

Yes, the Linn County Band has a Facebook Page! Just search for “Linn County Band”, “like” the page and you'll have a great way to stay updated on what's going over the summer!

Still need an instrument?

If you're still looking, check out Lincoln County Music Supply's website: beginbandnow.com. On this site they have listed all the instruments and music accessories (like books, reeds, care kits, music stands, lyres and so forth) they have available. Or, you can also check out places like Amazon, E-Bay or other music companies as well. If you choose to look elsewhere and want a second opinion, I'd be happy to take a look at anything you find!

Feel free to call (785-249-9671) or e-mail (vbolle@linnr1.k12.mo.us) me with any questions and have a fantastic summer!
