#### **FFA Christmas Gifts**

The FFA officer team adopted 5 Linn County elementary students to purchase Christmas gifts. This was a very rewarding experience for all members involved. Spreading Christmas cheer is a goal for the 2021-2022 officer team.

FFA members prepared and delivered over 80 meals to the Linneus, Purdin, Browning, and Shelby communities. In the picture below, FFA members peeled 40 pounds of potatoes to make real mashed potatoes to go as a side to turkey and ham dinner. This has become a popular annual tradition for the Linn County FFA Chapter.

FFA officers gave each elementary school age student their choice of an apple, pear, grapefruit, or an orange. This fruit was part of the recent fall fundraiser.

#### **Jennings Family Publish Book**

Kay and Emily Jennings worked together to write and illustrate a book. The name of the story is "The Troll and the Kids". Emily did all of the art work and Kay wrote the book. They also added a "Goldilocks and the Three Bears" story.

#### 4th Grade Project

Mrs. Rehbein's 4th grade group has been reading about the Mayan civilization. Raegan, Quincy, Aubriana, and Erich used Lego bricks to build and represent their version of Mayan pyramids. They each made a Google Slide presentation about the Mayans that they shared with the rest of their 4th grade class.

#### **Christmas Program**

The elementary Christmas program was held on Thursday, December 16th. Miss Phinney and the elementary students worked very hard to prepare for the program. Their hard work paid off. The program was a huge success! Congratulations to all of them. Thank you to everyone that was able to come out and support the program. We appreciate your attendance.

#### **Christmas Parties**

This year the elementary students went to the movie theater in Brookfield and watched Encanto. The MS/HS school students participated in activities and watched movies.

Wow, the first semester went by fast and now we are looking at starting the second semester. Grade cards will be mailed out sometime during the week of January 3rd.

The Middle School/High School Christmas program was very successful. I was very pleased with the concert that the band and the choir put on. It is obvious that Miss Phinney has been working hard with the students.

The basketball teams are finished for the 2021 school year. They will open up the 2022 season with an away game against Brunswick on January 4th . Homecoming will be Friday, January 21st against Keytesville.

I wish everyone a great Christmas Holiday. Be extra careful when traveling and we will see all of the students back to school on January 4th.

#### **INCLEMENT WEATHER**

Winter weather is right around the corner. The school will post school closings, late starts, and other school information on the Textcaster alert that can be signed up for on our school's homepage. If you are having issues or need help signing up, please let me know. I will be happy to help. Also, it will be broadcast on 99.1 KDWD and 96.9 KZBK radio stations. In the event of a weather related dismissal, the school will implement AMI instruction whenever possible. AMI is an Alternative Method of Instruction that is used when in seat instruction cannot take place. We will use virtual learning in a modified schedule whenever bad weather days are predicted and we can prepare students with the tools needed for instruction. Preschool through First grades will have packets to complete, Second through Twelfth grades will have chromebooks for google meets, google classroom, etc. and will be expected to log on based on the modified schedule. When using an AMI day, we are considered in school and would not have to make up the day.
