Linn County R-I Education Foundation Night

The basketball game on Thursday, February 10, against Milan, has been designated Linn County R-I Education Foundation Night. There will not be a gate for admission to the game that evening and all donations made that night will go into the Linn County R-I Education Foundation.

The Linn County R-I Education Foundation was established in January 1994. The foundation has 501 (c)(3) status from the IRS, which allows individuals to take deductions on their income tax for the amount of their donation. At present time the Linn County R-I Education Foundation distributes more than \$5,500 annually to Linn County R-I graduates.

We hope you will be able to attend the game on the evening of February 10, 2011.

Free Vision Screening

I am very happy to announce that the Linn Co. R-1 School will be having a free auto refractive vision screening for children 6 months to 6 years of age on Monday, December 6 at the Linn Co. R-1 School. The Missouri Lions Eye Research Foundation is conducting the free screening. This screening involves taking a scan of your child's eyes with the Plus Optix auto refractor. The results of each child's vision screen will be provided to parents or teachers the day of the screening.

Auto refraction vision testing can detect the presence of six possible eye disorders, nearsightedness, farsightedness, astigmatism, anisometropia (equal refraction), strabismus (misaligned eyes) and cataracts. All of these conditions if left undetected can or may lead to Amblyopia (blurred or lazy eye). Amblyopia can be successfully treated if detected early.

The screening requires no physical contact with your child, and poses no risk to their health. A trained technician will conduct the vision screen, and you will be notified of the results. This is to be considered a preliminary procedure, and does not constitute a diagnosis of vision problems. The costs of this program are being covered by the Missouri Lions Eye Research Foundation.

Benefits of Amblyopia Vision Screenings

- All screenings are performed by trained technicians
- Screenings are completely non-invasive
- Screenings will not disrupt classes, technicians require just a darkened room and two to three minutes of a child's time
- The Foundation will provide educational materials and consent forms for parents to sign prior to the screening
- All children screened receive a results card
- Parents are encouraged to schedule an eye exam if any vision abnormalities are found.

We encourage anyone with a child 6 months to 6 years in the Linn Co. R-1 District to contact the school and set up an appointment for this free vision screening. Please call 660-244-5035 to set up your child's appointment for the free vision screening or if you have any questions.

The Jr. High Lady Mustangs finished their season Wednesday night, November 17, with wins by both the 7th grade girls beating Brookfield 7th grade girls and the 8th grade girls beating the Jefferson Middle School out of Columbia. They finished their seasons placing 3rd in the conference with a 6-2 record and an overall record of 10-5. We had a great season and would like to thank all the parents and teachers that made this season such a success. The girls work hard this season on staying together as a team and understand that success comes together when we work together. Way to go Lady Mustangs.

The High School season is getting rolling with 14 energetic and focused players. We only have one senior this year: Shelby Russell; with five Juniors: Skyler Gray, Cassandra Stanphill, Laura Hardy, Kassandra Harrington, Ariel Rinehart; and five Sophomores: Cammie Ward, Kelsey Barker, Deloris Bright, Maci Hullinger and Brittini Buswell. With toys and money donated by local churches and community members, the Linn Co.R-1 FCA Huddle was able to prepare 16 shoeboxes full of gifts for needy children. The boxes will be distributed by Operation Christmas Child in areas of the world that are war-torn or affected by natural disasters, such as Haiti. These gifts are the only ones many of these children receive. The FCA members would like to sincerely thank everyone who supported us in this activity. 7th and 8th Grade Essay Contest

Logan Brinkley's essay was chosen as the first place winner for the essay contest *Sportsmanship: What I have learned from other athletes*. His essay will now be entered in the next level of competition, outside of the district.

"Sportsmanship: What I have learned from other athletes?"

Sportsmanship. It is a great thing, and one of the best things about sports. When displayed, it makes sports more fun to play. You get to go out, have fun competing, and possibly even make some friends doing it.

Sportsmanship can be shown in a lot of ways. It can be showing respect to the officials, your coaches, your opponents, and your teammates. It could also be playing hard, or just picking someone up if they fall down. If you're in the crowd, it's encouraging your team, but also showing some respect to the opponent as well.

I have learned sportsmanship from many people, and quite a few are collegiate or professional athletes. I have learned sportsmanship from Albert Pujols, Tim Tebow, Colt McCoy, Drew Brees, Peyton Manning, Derek Jeter, Gordon Heyward, Ray Allen, Steve Nash, and Derek Fisher, among hundreds of others.

I have also learned it from great displays of sportsmanship. One in particular that comes to mind happened at the 1998 Daytona 500. Dale Earnhardt was trying to win the 500 on his 20th try. He won that day, and when he drove down pit road towards Victory Lane, every crew member from every team gave him a high five to congratulate him on the win. That is just one display, although there are many others that I have learned sportsmanship from.

I have also been taught sportsmanship by people in my community. It has been taught to me by my coaches and my family, as well as other athletes. They have showed me to play hard, respect the game, and just have fun. Sportsmanship is an amazing element in athletics. I have learned sportsmanship from professional, collegiate, and local athletes.

News From Mrs. Ward

We have been very busy around school as usual. I hope everyone had a safe and enjoyable Thanksgiving holiday. With the month of December approaching, students will no longer be allowed to wear shorts to school.

The Junior High basketball season just finished and the High School will be starting their season with the Northwestern Tournament. I would like to thank everyone that has been out to support the school in anyway so far this year and I would like to encourage the continued support of parents and community members at all events that take place.

I encourage all students to continue to work hard in all classes. You can access the Linn County R-I homepage and click on the calendar link to see a schedule of activities that take place.

The carnival/auction brought in \$3,054.68.

Have Safe and Happy Holiday Season!!!

BOARD ELECTION

The Linn County Board of Education has its annual election on April 5, 2011. The election this year will be for three board seats. The seats are presently held by Tom Creason, Dean Sayre, and Trevor Stillwell.

Membership to the board is open to residents of the Linn County R-I District who have resided in the state for one year prior to the election, and are at least twenty-four years of age. Candidates must be citizens of the United States and resident taxpayers of the District.

To run for a seat on the board an individual must file for office. The Board filing dates are between Dec. 14, 2010 and Jan. 18, 2011. Filing is in the superintendent's office between 8:00 AM and 4:00 PM Monday through Friday and until 5:00 PM on January 18, 2011.

The district's offices will be closed at 12:00 on December 23, 2010, and all day on December 24, 2010, Thursday afternoon December 30, 2010 and all day on December 31, 2010. Therefore, on the mentioned dates, we will not be accepting candidates filing.

News from Mr. Livingston

Just a reminder that school resume on Monday, November 29th from Thanksgiving Break. I hope everyone has a safe and enjoyable Thanksgiving holiday.

I would like to thank each of the veterans that were able to make it out to eat lunch on Veteran's Day. I enjoyed visiting with each of you and the students were excited to have you in the building. You are welcome you back at anytime.

Winter is right around the corner, and with that in mind, it is in our best interest to keep our staff and students safe. If we receive a fair amount of snow please listen to the radio for school cancellations. We will still call the radio stations as soon as we know school will not be in session, and will try to do so by 6:30 a.m. If it starts snowing or getting slick during the day, listen to the radio to see if we are letting out early. Remember, this is a big district with long bus routes and we have the safety of all of the students as our primary interest. Please have plans in place as to where you want your children to go in case we do let out early and you are at work. Do they know what to do? Does the school know what they are supposed to do? Do they need to ride a different bus, go to a different house, or stay with a friend? In the excitement of letting out early, it is hard to get to all of the phone calls that come in, so please make your plans now. In the case of small children, please let us know what the plans are so that we can insure that the students go where they are supposed to. It is much easier to have these plans ahead of time so the phone lines are not being used to make arrangements during early dismissals.

SCHOOL BOARD RECOGNITION WEEK JANUARY 24- 28, 2011 DESIGNATED SCHOOL BOARD RECOGNITION WEEK

Local school board members are dedicated citizens who carry out the truest form of representative government - volunteer public service. School board service is perhaps the purest expression of grassroots democratic principles upon which our nation was founded.

In these challenging times, school board members are called on to be the policy makers for our school district and are often called upon to make tough decisions. The week of January 24- 28, 2011 has been declared School Board Recognition Week by the Missouri School Board's Association. It's a time for educators and citizens across the state to salute these unpaid volunteers who serve public education on behalf of their communities. It seems fitting that at least once a year we thank them for their time and dedication.

Being an effective school board member is no easy task. Lay school leaders need to be knowledgeable about many complex educational and social issues. Board members govern individual school districts, establish local policies, approve educational programs, provide necessary physical facilities, hire the superintendent, and share in costs by raising necessary local funds along with state funds to operate district educational programs.

School board members' service ensures that decisions about our public schools are made as close to the needs of our children and communities as possible. Further, our local board members serve as examples for our young people of the excellent tradition of volunteering that is a hallmark of our society.

School board members face challenges every day. For their untiring personal dedication and commitment to public service, let's give our school board members a hand.

The local board members serving the Linn County R-I School District and their years of service are listed on the back page of the Ledger every month.
