News from Mrs. Gray

Valentine Parties

The elementary classes will have their Valentine's Day parties on Friday, February 14th beginning at 2:00 p.m. If you have any questions about the parties or procedures, please check with your child's teacher or Mrs. Gray.

Boxtops

Please be saving your boxtops. The boxtops can be sent in at any time. We do need all boxtops for this year turned in and/or scanned into the Mobile App by February 15th. Have your child turn them in to their teacher or the High School office. PTO will be getting boxtops ready to send in at the next meeting. Please start saving for next year. We appreciate all the boxtops that we can get. The PTO receives a check each year for turning in the boxtops.

The month of February has many activities going on. The basketball teams have had a busy past couple of months and will be wrapping up their season at the end of the month. We have a few home games left. February 4th we play Bucklin/Macon County. February 6th is Educational Foundation Night and we play Northwestern. Senior Night is February 11th and we play Green City. There will also be a soup supper provided by the Juniors that evening for a Prom fundraiser. We play Milan at home on February 13th and the Junior/Senior parents will be having a taco salad supper that evening for an AfterProm fundraiser. **The last home game of the season will be February 20th against Tina Avalon and this will be HOMECOMING. The starting game time for the Varsity girls against Tina Avalon will be 5:30 pm.** The Junior/Senior parents will be having a fundraiser meal for AfterProm during the Homecoming games. The meal will consist of pulled pork, brisket, potato casserole with other sides and dessert. Districts will be held at Meadville February 22nd-28th. I hope to see everyone out to support our teams. Our home page is a great way to stay up to date on activities taking place around school.

Mid-quarter is February 7th. Mid-quarter reports will be mailed out around February 12th. Please take interest and check your student's progress often. The teachers are always willing to help and provide feedback.

Winter Weather Information

Winter weather is upon us and with that in mind it is in our best interest to keep our staff and students safe. The most effective way to stay up to date is to sign up with the "MUSTANG ALERTS". This is the school's text message service that is sent out when school is cancelled or in an event of an early dismissal. You can sign up for the text alerts from the school homepage. If you need help signing up, please contact the school.

The district will still call the **selected radio stations** at the bottom of the page. Remember, this is a big district with long bus routes and we have the safety of all of the students as our primary interest. Please have plans in place as to where you want your children to go in case we do let out early and you are at work. Do they know what to do? Does the school know what they are supposed to do? Do they need to ride a different bus, go to a different house, or stay with a friend? In the excitement of letting out early, it is hard to get to all of the phone calls that come in, so please make your plans now. In the case of small children, please let us know what the plans are so that we can insure that the students go where they are supposed to. It is much easier to have these plans ahead of time so the phone lines are not being used to make arrangements during early dismissals.

Stations that we will be announcing on: **KZBK Brookfield - AM 1470 FM 96.9 & KDWD Marceline - FM 99.1**

Second Grade Thanks You

Thanks to your donations through Caring for Classrooms, we have purchased 5 wobble chairs for the second grade classroom. Your contribution is greatly appreciated.

Parents As Teachers Block Fest

The Linn County R-1 Parents as Teachers is partnering with the Brookfield Parents as Teachers program to bring, Block Fest, a fun and hands-on opportunity to learn math and science concepts through play. Block Fest is a researched-based exhibit that helps raise awareness of early math and science learning by offering hands-on block play experiences to families with young children. Parents will become more knowledgeable about the importance of early math and science learning as it impacts both school readiness and later math success.

Block Fest will be held on February 6, 2020 at the Park Baptist Fellowship Building in Brookfield, MO, from 4:30 to 6:30. There will be stations for children to explore. This is a come and go event !!

Hope to see on February 6, 2020 @ 4:30 p.m.
