From the Preschool

We have been having a great start to our year in Preschool! We are learning about our new friends, some letters in the alphabet, and learning to count! We made a hot air balloon craft to celebrate the Pershing Balloon Derby and are currently learning about our new season, Fall!

From the Kindergarten Classroom

Kindergarten has been busy the past month on getting used to our routine and adjusting to Kindergarten. Some students are happy they do not have to take naps while other students are wishing they had a nap time. The students have been doing exercises every day and a lot of songs with movement in them. We have been working hard. This month we have worked on our letters in our name and reviewing the alphabet letters. We started working on showing the numbers one through five in a five frame. We are now focusing on a letter of the week and a sight word of the week. We will be learning about Johnny Appleseed this month.

At the beginning of school, we read the book The Kissing Hand. We did various activities with Chester Raccoon who was a character in the story. We have worked on our cutting skills which include learning how to hold the scissors and cutting on the lines. We played an alphabet game called Find Chester. Chester was hiding behind one of our alphabet letters. Chester was pretty sneaky because several times we had almost run out of letters and we still had not found him. But in the end we did find that sneaky Chester. We are having a great time in Kindergarten.

Parent/Teacher Conferences

Parent/Teacher conferences will be held on Monday, October 26 beginning at **12:00 p.m.** Elementary students will be sent home a scheduled time to visit with your child's teacher and you can visit with MS/HS teachers as they are available. Each teacher is on a pretty tight schedule so please try to be on time for your slot. **Conferences will be held from 12 pm-6 pm this year.** We ask that you limit the number of people you bring with you for conferences and that you keep any children/students with you during the time that you are in the building.

Fall Meeting

A beginning of the year Zoom meeting was held on Tuesday, September 22nd to inform parents about several different programs that are available at our school. Programs that were discussed were PAT, Preschool, Homeless, Foster Care and Title One. Thanks to those of you that were able to join the meeting. If you have any questions regarding any of the programs please contact Candi Gray at 244-5035. A parent information and resource center can be found at the following website: www.missouri-pirc.org/

Middle School/High School

It is hard to believe that we are through the middle of the 1st quarter. The school year has been moving very quickly and has gotten off to a great start.

The softball and baseball seasons are going strong, with basketball season right around the corner. The Jr. High basketball teams will be starting their season with the Bucklin Tournament scheduled for October 12th-17th.

I would like to emphasize the importance of your student's attendance and getting their school work in on time. If you have any questions about your student's performance in a class or classes I urge you to contact their teacher. It is very important for parents to be involved in your student's achievements.
