

Out My Window

Out my window, I can see little buds on ev'ry tree.
Blades of grass are turning green.
Nicest things I've ever seen.

Out my window. Oh, out my window.
Oh, I can watch the whole world start to bloom
from my room. Out my window.

Out my window, I can hear, kids are playing very near.
Cardinals and robins sing.
I can hear the sounds of spring.

Out my window. Oh, out my window.
Oh, I can watch the whole world start to bloom
from my room. Out my window.

My window.
Out my window.

VIVA VERNAL EQUINOX

One revolution. Earth travels once a year around the sun.
Many rotations. Patterns of light are changing from the sun.

Seasons are born four times a year.
Spring, summer, fall, winter, too.
Now it's the spring that we begin.
Springtime makes ev'rything new!

Viva! Viva! Viva Vernal Equinox!
Viva! Viva! Viva Vernal Equinox!

At the Equator, two times a year the sun appears to us.
Daytime and nighttime seem to be almost the same length to us.

This equinox, two times a year, happens in spring and in fall.
But it's the spring now we begin, singing with our vernal call!

Viva! Viva! Viva Vernal Equinox!
Viva! Viva! Viva Vernal Equinox!

Viva! Viva! Viva Vernal Equinox!
Viva! Viva! Viva Vernal Equinox!

yell: Viva!

January Jumpin'

verse 1:

January jumpin'. Jump, jump!
Get your heart a-pumpin'. Pump, pump!
Inside, outside in the snow.
January jumpin' here we go!

verse 2:

January stompin'. Stomp, stomp!
Ev'rybody's rompin'. Romp, romp!
Leapin', hoppin' up and down.
January jumpin' all around!

Winter, winter, here and there.
Winter, winter, ev'rywhere.
Winter, winter ev'ry day.
We'll just dance the time away.

Winter, winter, in the air.
Winter, winter, we don't care.
Winter, winter it's okay.
(shout, optional: We don't mind it anyway!)

repeat verses 1 and 2

January jump, January jump,
January jump, jump all (*divisi, optional*): around!
shout:
Jump!

Don't Trust A Groundhog

Last year you said we'd have an early spring,
but last year it snowed till May. (*spoken solo*: Hey...)
This year you say the very same thing,
but we don't believe you. No way. (*spoken solo*: No way!)

chorus:

Don't trust a groundhog when it comes to weather.
Don't trust a groundhog, don't. (*spoken solo*: Don't!)
He's only guessing. You could do much better.
Don't trust a groundhog, don't. (*spoken solo*: Don't!)

Just don't! Just don't! (*pleading spoken solo*: Don't do it!)

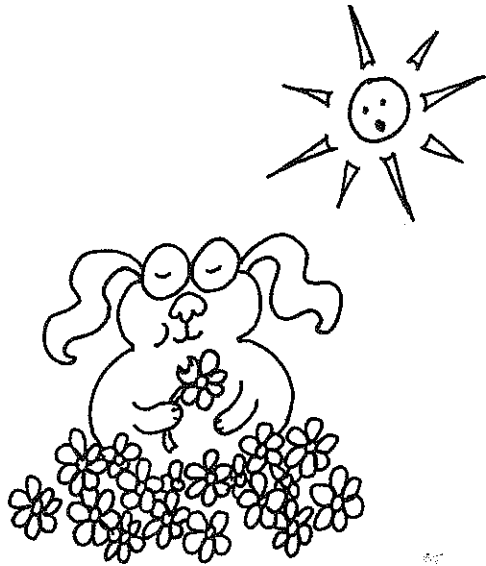

Last year your shadow told a little fib,
'cause last year the spring was late. (*spoken solo*: Great.)
This year we won't be listening to you,
'cause you can't be trusted with fate. (*spoken solo*: Our fate!)

repeat chorus

Just don't! Just don't! (*all shout*: Don't do it!)

Hey, Bunny

Hey, bunny. Eating up my flowers isn't funny.
Hey, hey, rabbit. You have got to try to break that habit.

chorus:

You can run, run, run, bunny! Hide, hide, hide!
I will chase, chase, chase 'till I find, find, find you!
Run, run, run, bunny! Hide, hide, hide!
I will chase, chase, chase 'till I find, find, find you!
Hey, bunny.

Hey, bunny. Would you stop if I just gave you money?
Hey, hey, rabbit. If I catch your tail, I'm gonna grab it.

repeat chorus twice

Bunny.
Hey!

EVERY DAY IS EARTH DAY

We hold the world in our hands.
We hold our future. Let's take a stand.
Let's work together. Let's do it right.
Then come tomorrow, we'll see the light.

We are the ones who can make it happen!
We are the ones who can make it right!
It's up to us; it's not too late to try.
Ev'ry day is Earth Day.

We hold our lives in our hands.
Our children's children are in our plans.
The world's tomorrow needs us today.
If we keep trying, we'll find a way.

We are the ones who can make it happen!
We are the ones who can make it right!
It's up to us; it's not too late to try.
Ev'ry day is Earth Day.

part 1:

We are the ones who can make it happen!
We are the ones who can make it right!
We are the ones who can make it happen!
We are the ones who can make it right!

We are the ones!

part 2 (optional):

We are the ones to make it happen now.
We are the ones who make a difference now.
We are the ones to make it happen now.
We are the ones who make a difference.

We are the ones!
