Dear Parents and Guardians,

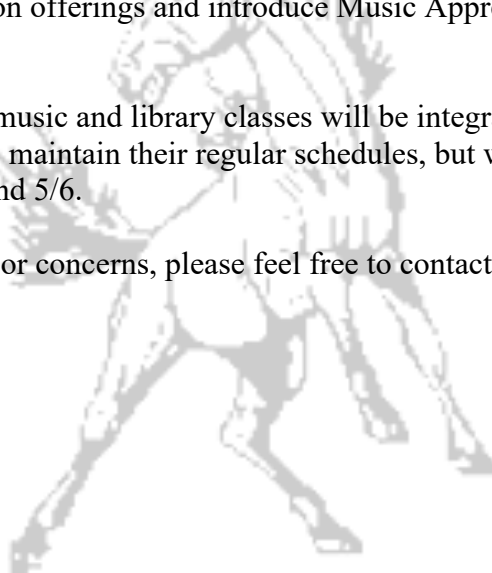

I am writing to inform you of forthcoming adjustments to the music and library departments, effective for the 2025-2026 academic year. We will be discontinuing instrumental band and marching band programs. This decision is driven by consistently low participation rates in recent years. In lieu of these programs, we plan to enhance our choir and vocal competition offerings and introduce Music Appreciation as a Fine Arts credit.

Additionally, elementary music and library classes will be integrated for students in grades PK-6. Classes will maintain their regular schedules, but will be combined as follows: PK/K, 1/2, 3/4, and 5/6.

If you have any questions or concerns, please feel free to contact me at the school.

Sincerely,

Ryan Livingston
Superintendent
